27 May 1952

Dear Dr. Suhrie:

In accordance with my letter of April 25, I now have pleasure in sending you copies of the addresses which were made at the ceremony on the 18th of May. It was an interesting event and we are sorry that you could not be present.

The only reason we are not sending you copies of the addresses of Dr. Heald, the Chancellor of the University, and Dr. Sockman, the Director of the Hall of Fame, is because they both spoke extemporaneously.

Sincerely yours,

Bertha L. Lyons (Mrs. N.)

Dr. Ambrose L. Suhrie
Emeritus Professor of Education
